The rates stated in the Interest Rate Schedule are effective **14 February 2024**. Rates are subject to change and may change at any time including between the time you apply for a Savings or Transaction account or when your account is opened. You should ensure that you have a current Savings and Transaction Account Interest Rate Schedule. You can obtain a copy of the current Interest Rate Schedule by calling 13 25 77 or visiting [www.pnbank.com.au](http://www.pnbank.com.au).

If your Savings or Transaction account is overdrawn, interest will be charged on the overdrawn balance, and will be calculated daily at 16.69%p.a. and charged to the account at the end of the month or in line with the dates detailed above.

1. A maximum account balance of \$5,000,000 applies to all accounts.
2. SwiftSaver bonus interest rate applies when at least \$10 is deposited to the account and no withdrawals are made from the account in the calendar month.
3. The Hi Saver bonus interest rate is only payable for a period of the first four months on daily closing balances. After four months the Hi Saver account will receive the standard variable interest rate in the manner set out in the table above. If your Hi Saver account was opened on or after 1 April 2023 with a balance from \$0 it will be eligible for the bonus interest for the first four months from the date of opening your account. For accounts opened before 1 April 2023 bonus interest will be paid on the total balance of your Hi Saver Account on each day on which the closing balance of your account is \$5,000 or greater, for a period of four months from the date of opening your account.
