

APRA Basel III Pillar 3 Disclosures

Quarter ended 30 September 2021

Police & Nurses Limited ABN 69 087 651 876 ASFL/Australian Credit Licence 24070' pnbank.com.au

25 November 2021

This report has been prepared by P&N Bank to meet its disclosure requirements under the Australian Prudential Regulation Authority (APRA) Australian Prudential Standard (APS) 330 Capital Adequacy: Public Disclosure of Prudential Information.

These tables should be read in conjunction with the P&N regulatory balance sheet and the reconciliation between detailed capital disclosure template and the regulatory balance sheet.

Table 2 'Regulatory capital instruments' is not included as P&N Bank does not have any such facilities. Information is prepared using 30 September 2021 data.

P&N Bank seeks to ensure that it is adequately capitalised at all times, both on a stand-alone and Group basis.

APRA applies a tiered approach to measuring P&N Bank's capital adequacy by assessing financial strength at three levels:

Level 1, comprising of P&N Bank and its subsidiary entities that have been approved by APRA as being part of a single 'Extended Licensed Entity' (ELE) for the purposes of measuring capital adequacy; and

Level 2, the consolidation of P&N Bank and all its subsidiary entities except those entities specifically excluded by APRA regulations; and

ADI Consolidated Group is P&N Group at the widest level which includes P&N Landreach Pty Ltd whose principle activities are financing property development.

The Pinnacle Series Trust 2013 T1 and The Pinnacle Series Trust 2017 T1 meet all the operational requirements (APS 120) for regulatory capital relief and are excluded for credit risk under Prudential Standard APS 112 Capital Adequacy. For statutory reporting purposes, all securitisation trusts are consolidated in the Group.

Unless otherwise specified, all quantitive disclosures in this report refer to the prudential assessment of P&N Bank's strength on a Level 2 basis using a statutory valuation.

Key Points

This disclosure has been prepared in accordance with the changes to APRA's capital rules (effective 1 January 2013). The Bank's total capital ratio was 14.1% from 30 June 2021 to 13.8% as at 30 September 2021.
